

Profile

Experienced and accomplished Graphic Designer with over 23 years of industry experience, known for delivering impactful designs and innovative solutions.

Collaborating effectively with teams, I excel at translating client briefs into original and creative concepts. Skilled in working under pressure, meeting deadlines, and maintaining high-quality standards within budget constraints.

Strong communication, organizational, and presentation skills contribute to my successful track record.

Proficient in Mac/PC applications and Adobe Creative Suite, seeking to advance my career in Graphic Design, Web Design, marketing, and social media industries.

Education

1998-2000 HND in Graphic Design, Distinction, Upper Bann Institute, Lurgan

1996-1998 Advanced GNVQ in Art & Design, Pass, East Tyrone College of F.E, Cookstown

1994-1995 GCSE Art Grade A

1989-1994 5 GCSE Examinations

Employment History

Mar 2022 Graphic Designer/Marketing Assistant at AES Global Ltd

Currently working as a Graphic Designer/Marketing Assistant at AES Global Ltd, where I utilise my extensive experience to create visually appealing and innovative designs.

- Create and design graphics for various marketing materials, including brochures, flyers, and social media posts.
- Collaborate with the marketing team to develop & implement effective strategies.
- Utilise my expertise in Adobe Creative Suite to bring ideas to life and create visually stunning designs.

Jul 2018 - Feb 2022 Packaging Designer at Almac Group

Worked as a Packaging Designer at Almac Group, where I was responsible for creating innovative packaging designs. Collaborated with clients and cross-functional teams to develop packaging solutions that effectively showcased their products.

- Designed and developed packaging designs for a wide range of pharma products.
- Spearheaded seamless coordination between teams to align packaging designs with client's requirements, leading to a 15% reduction in design iterations and a 20% increase in on-time delivery performance.

May 2015 - Jul 2018 Packaging/Graphic Designer at InnoLED Ltd

Worked as a Packaging/Graphic Designer at InnoLED Ltd, where I utilised my skills in graphic and packaging design to create visually appealing and impactful designs.

- Develop packaging solutions that effectively showcased InnoLED's products.
- Designed and developed packaging designs for over 150 products.
- Collaborated with teams to ensure the packaging designs met the requirements and spec.

Aug 2014 - Mar 2015 Graphic/Web Designer at Innovation Print & Graphics

Designing leaflets, stationery, signage and websites.

- Liaise with clients to ensure designs met their business objectives.
- Created a comprehensive style guides that improved the consistency of the company's branding across all channels.

Mar 2010 - Dec 2013 Graphic/Web Designer at Baba Me

Working as a graphic designer in the marketing department for a mother and baby resource and retail centre.

- Designed and created display stands, billboards and printed literature
- Maintenance of company websites to ensure they were visually appealing and up-to-date.

Aug 2008 - Mar 2010 Graphic/Web Designer at The Pixel Factory

Employed as one of the lead designers in this client focused design agency.

- Worked as part of a team to take concepts through to final design.
- Designed and set up print materials, including brochures and flyers.
- Created signage and display designs for various projects.
- Developed websites that were visually appealing and user-friendly.
